

VICTOR HUGO

Tasting Notes

2020 Estate Syrah (sold out)

Intriguing aromas of pink rose petals and ripe blueberry predominate with subtle oak notes in the background. This wine has layers of supple round tannins, piquant acidity and integrated oak followed by an extended, rich finish.

Cellaring: While enjoyable now, this elegant Syrah will continue to improve with proper cellaring for another 4-7 years in the bottle with a plateau of best drinkability from 2026-2032.

Food selection: This Syrah will enhance a large array of robust Mediterranean cuisine with a particular affinity for elegant flavor-forward courses Rack of lamb and pork loin are excellent pairings.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
